

How to set Blackboard as a Trusted Site

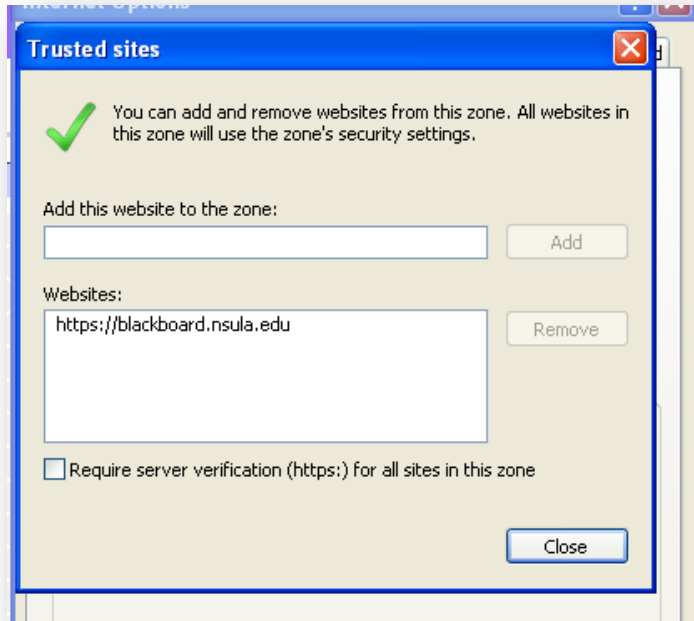

- 1.) Open Internet Explorer
- 2.) Click on the Tools button located on the far right side of the menu bar. Then click on Internet Options.

- 3.) Click on the Security tab. Then click on the Trusted Sites icon. Then click on the Sites button located underneath the icons.

- 4.) Type <https://blackboard.nsula.edu> into the box located below the "Add this website to the zone" heading. Then click on the "Add" button located to the right. The website address will populate into the box below. Ensure that the "Require server verification..." box is NOT checked.

5.) Click OK, then Apply if available, if not, then OK again. Restart your browser.
